Why NAD Furniture

- Established furniture-manufacturing heritage dating to 1979.
- 300,000 sq. ft. Ajman factory with 300+ employees and 24/7 operations.
- Manufacturing footprint in the UAE and Türkiye, exporting to 55+ countries.
- Integrated capabilities across custom furniture manufacturing, supply, installation and joinery.

Quality Assurance & Certifications

ISO 9001:2015 | Quality

Quality management framework covering consistent production, inspection and customer requirements.

ISO 14001:2015 | Environment

Environmental management framework addressing responsible resource use and production impacts.

OHSAS 18001:2007 | Safety

Historical occupational safety standard shown in the supplied image; superseded by ISO 45001.

Accreditation & Certification References

- NAD Furniture’s supplied certification graphic includes ISO 9001:2015 and ISO 14001:2015 marks.
- The graphic also displays OHSAS 18001:2007, ASCB and QRS marks.
- ASCB is an accreditation-related organization; its mark is not itself a certification of NAD Furniture.
- Actual certificate numbers, certified scope, issuing bodies and validity dates require confirmation.

Service Commitments & Quality Overview

QUALITY ASSURANCE & CERTIFICATIONS:-

Our Service Commitments:

- Quality-focused manufacturing
- Customized furniture solutions
- Professional installation services
- Reliable delivery
- After-sales customer support

NAD Furniture is committed to quality, environmental responsibility, workplace safety and customer satisfaction.
